Item 5.02

As previously reported on a Form 8-K dated August 28, 2013, Jay B. Neese, Executive Vice President of QEP Resources, Inc. (the Company), announced his intention to retire effective December 31, 2013. Pursuant to an Amendment to Restricted Stock Agreements, dated December 27, 2013, the Company and Mr. Neese amended existing restricted stock agreements and stock option agreements to modify the vesting and expiration provisions to provide that previously unvested restricted shares and stock options granted to Mr. Neese vest in full on December 27, 2013, and all vested stock options will remain outstanding through their original expiration dates.

As a result of the amendment of the restricted stock agreements, 39,924 restricted shares vested in full on December 27, 2013. As a result of the amendment of the option agreements, the vesting of options to purchase 67,966 shares of stock was accelerated to December 27, 2013, and the original expiration dates (of February 25, 2018, February 13, 2019, or February 13, 2020) were maintained for the stock options.

Further, pursuant to negotiations between the Company and Mr. Neese, Mr. Neese agreed to defer his retirement until December 31, 2013, and the Company agreed to pay Mr. Neese a transition bonus, with such bonus contingent upon Mr. Neese's diligent assistance in the orderly and successful transition of responsibilities to his successor by year-end 2013. The amount of the transition bonus is \$158,000.
